

A photograph of several students sitting at desks in a classroom, focused on their work. The image is slightly blurred and has a soft white overlay.

## Clifford Academy Re-opens July 6th

Located on 166 acres in Walpole, Massachusetts, Clifford Academy is a day, residential and summer program for students who have social, emotional, and learning challenges. Clifford Academy has immediate opening for the summer and fall of 2020. Clifford Academy is an approved chapter 766 private school for middle and high school students of all genders. Clifford Academy's curriculum, taught by certified teachers, is aligned with the Massachusetts Frameworks.

**Phase I.** - Starting the week of July 6th, we will offer 2 days of remote programming and 3 days of in-person programming. We will continue to offer 5 days of remote programming for those students and families interested.

**Phase II.** - We will offer 1 day of remote programming and 4 days of in-person programming. We will continue to offer 5 days remote for those students and families interested.

**Phase III.** - We will offer 5 days of in-person programming. We will continue to offer 5 days remote for those students and families interested.

We will assess each phase on a weekly basis to examine the implementation of health and safety protocols and engagement levels in both the remote and in-person programming. We will communicate regularly with students and staff and provide ample notice when we decide to move to the next phase.

### The following health and safety protocols will be in place:

Stay home if staff and/or students are sick

Wear face coverings and masks at all times

Practice frequent hand washing and hand sanitizing

Maintain 6 feet of separation at all times.

Isolate staff and students when sick

Clean, sanitize and disinfect high-touch areas

Use entry screenings

Conduct training for staff and students
